

Vendor Conference

City of Seattle RFI: Public-Private Partnership for Wireless Mission-Critical Voice and Broadband Data Capabilities

Welcome

- Bill Schrier, Chief Technology Officer, City of Seattle

Opening Remarks

- Bill Kehoe, Chief Information Officer, King County, WA

Opening Remarks

- Ansh Chhokra, Chief Technology Officer, United States

Opening Remarks

- Dusty Rhoads, Department of Homeland Security, Office of Emergency Communications

Setting the Tone for this Conference I

- Not your “traditional” conference
- Voice and Data Networking for Public Safety
- “Public Safety” in the broadest interpretation
- Not a Request for Proposals
- Obsolescence and upgrades
- Congress may act ...
- Next steps could be ...

Setting the Tone, II

- A Brainstorm
- Put forward ideas, discuss them
- Responses are NOT commitments
- A variety of potential partnership models
