

### NONMAJOR ENTERPRISE FUNDS

The **Solid Waste Fund** accounts for administering contracts with private companies for the collection of residential refuse and commercial garbage and for operating two City-owned transfer stations. Private individuals and City-administered residential and commercial collectors bring solid waste to the transfer stations. Solid wastes collected at the transfer stations are compacted, loaded in containers, and hauled to the Argo cargo loading station. The containers at the Argo station are loaded on railcars and transported to a landfill in Arlington, Oregon, for final disposal.

The **Planning and Development Fund** accounts for building permit fees and moneys from the General Fund as well as the cost of enforcing the City's land use and building construction codes.

The **Downtown Parking Garage Fund** accounts for the proceeds from the sale of bonds to pay for the cost of effecting the beneficial transfer to the City of the parking garage at Pacific Place in downtown Seattle. This fund also accounts for the operation of the garage.
