Note: This special CTTAB retreat is different than the typical CTTAB monthly meeting. It involves a tour and meetings with City officials. The purpose of the retreat is to give CTTAB members and City officials the opportunity to discuss issues and CTTAB priorities. The meeting is open to the public, but the limited time available for this meeting does not permit CTTAB's typical public comment period or public participation. CTTAB will hear public comment on this meeting and other topics at its next regular meeting to be held on April 14, 2009.
