### **Outreach / Networking Conference for 5 Neighborhood Fire Stations**

**What: Outreach / Networking Conference**

The City of Seattle will hold an Outreach/Networking Conference to develop professional contacts between Architect/Engineering (A/E) teams and potential sub-consultants interested in pursuing work on the next five neighborhood fire station projects as part of the 2003 Fire Levy. Consultants are encouraged to network to facilitate forming teams. Minority and woman-owned businesses are strongly encouraged to participate.

**Who:** A/E prime and sub-consultants interested in working on Fire Station 6 (Central District), 11 (Highland Park), 16 (Greenlake), 24 (Madison Park), 27 (Georgetown)

**When: Friday, October 17 3:30 p.m.**

**Where:** Seattle Municipal Tower, 700 5<sup>th</sup> Avenue, Seattle  
Room 4060

**Why:** The City of Seattle supports efforts to increase opportunities for women and minority owned firms competing for City contracts.
