S07032	Northeast	Ruth	Picardo P-patch Composting Toilet	Picardo Farm P-Patch	No		\$16,616 *	\$15,000
<b>Description:</b> This project will install a year-round composting toilet. Beyond its obvious purpose, it will provide a demonstration of a waterless composting facility to the various communities involved and be an educational tool for schools and organizations in community agriculture, conservation and ecology.								
S07033	Southeast	Owens	Day Street Viewpoint	Friends of Day Street Viewpoint Project	No		\$10,250 *	\$10,250
<b>Description:</b> Day Street Viewpoint Project includes development of a new public viewpoint in the Mt. Baker Ridge neighborhood. The project will involve removal of existing invasive plants, planting of drought-tolerant native plants, and placement of ornamental rocks for informal seating areas on this ridge with outstanding views of the Olympic Mountains, Downtown Seattle, and Elliott Bay.								
S07034	Southwest	Moreno	Orchard Street Ravine Restoration	Friends of Orchard Street Ravine	Yes		\$0 *	\$11,000
<b>Description:</b> This project will restore an overgrown ravine area to its natural habitat and provide a green space for neighborhood enjoyment and education. This specific request is to provide funds to hire professional help to plant, water and weed in several areas in the ravine where volunteers will not be allowed to work, due to steep slope liability concerns.								
S07036	Northeast	Ruth	Sun Pocket Park	Friends of Sun Pocket Park	No		\$15,850 *	\$15,000
<b>Description:</b> This project will hire a landscape architect to work with our neighborhood to design an open public green space on a newly created and purchased lot of 4,000 sf. The landscape architect will facilitate community meetings to ensure everyone has input for design of this native plant garden.								
S07037	Northwest	Takekawa	Daniel Bagley Plaza	Bagley Elementary PTSA	Yes		\$23,258 *	\$15,000
<b>Description:</b> The Bagley Plaza Project will beautify and improve the function of the front entry at Daniel Bagley Elementary School. Improvements will provide better flow of foot traffic for children and neighborhood families, improve lighting and decrease congestion, as well as provide seating for conversation and leisure.								
S07038	Central	Owens	Squire Park P-patch Fence Replacement Phase 2	Squire Park P-Patch	No		\$1,650 *	\$3,300
<b>Description:</b> This phase of the project will solicit entries for the artwork portion of the fence, telling the jazz history of the neighborhood. The artist chosen will then design the artwork, meet with the community, and provide a budget in order to fabricate and install the art.								
S07039	Lake Union	Eskelin	Forty-ninth intersects Burke: Building Community Connections	Friends of 49th and Burke Ave N	No		\$3,615 *	\$1,600
<b>Description:</b> Last year our neighborhood created one of Seattle's first "Intersection Repair" projects - a painting of a large ladybug on our intersection. This year, we want to build upon our successes by not only repainting the ladybug, but by planning and building additional street-side elements that foster our community connections.
