

**AMENDED NPAC Committee Assignments Roster
(4-7-09 REV) (4-9-09 REV)**

4-3-09

Note that Kate Stinebeck has been appointed as permanent member and a new alternate for Council appointees has been named: Diana Vergis Vinh from Columbia City

As described in the NPAC Charter, the co-chairs are establishing the following committees as a means of distributing and organizing the work assigned to NPAC by Council Resolution 31085. The committees may set their own meeting times and frequencies sufficient to timely completion of work. We ask that each committee select a coordinator who will be responsible for reporting to NPAC at monthly meetings and to keep the NPAC co-chairs informed of the committee's activities.

NPAC members may request other assignments and this list is intended as an initial roster. All members of NPAC should serve on at least one committee. Person with * is designated as interim coordinator to call the first committee meeting. Alternates ¹ have not yet been assigned but are encouraged to join committees as their time allows.
