

Seattle Department of Neighborhoods uses many ways to communicate department events, programs, updates, and news of community activities.

- **DoN Blog (Front Porch):** Located at <http://frontporch.seattle.gov/>, our blog is the most utilized tool for updates and information regarding department happenings. You can also subscribe to our RSS feed.
- **DoN Calendar:** Located at [www.seattle.gov/neighborhoods/calendar/default.htm](http://www.seattle.gov/neighborhoods/calendar/default.htm), community members are invited to post neighborhood events that are open to the public. On the left-hand column of the page, events can be added by selecting “submit an event.” It will take one business day for the event to appear on the calendar. Not only will the event post to our calendar, but it will also post to the citywide calendar.
