

# Healthy Swimming

WAC 246-260-180

Help keep our water clean & prevent illness transmission

**No bare buns:** Bathing attire required. Younger children must wear tight plastic pants or diapers designed for swimming.

**No spots:** People with communicable diseases are not allowed in the swimming area.

**No Fidos:** Dogs are not permitted on swimming beaches.

**Keep it clean:** Take frequent potty breaks and wash your hands.

## Come on in, the WATER is fine!

Every day we clean our beaches to remove unwanted materials, including goose poop. If geese visit our swim rafts, we disinfect them. The water is tested every week for several bacteria including fecal coliform. We periodically test for algae toxins and to remove invasive aquatic plants. Volunteers and public agencies are working together to make sure our beach waters are safe for YOU! So come to any of our lifeguarded beaches...they are safe and clean.

In the interest of safety,  
we ask that you observe the following rules:

1. Please swim only in the lifeguarded area.
2. Weak and non-swimmers must stay inside the ropes.
3. All children must pass a lifeguard administered swim test before going outside of the ropes.
4. Children should be supervised by a parent or guardian at all times.
5. Infants and toddlers must wear plastic pants or swimming diapers.
6. Face masks, fins, snorkels, and floatation devices must stay inside the ropes.
7. Dogs are not allowed at beaches, play areas, or athletic fields. Violations are punishable by fines of up to \$500. SMC 18.12.080.
8. Alcoholic beverages are not allowed on park property. SMC 18.12.255.
9. Failure to follow safety rules and regulations may result in expulsion from the premises. SMC 18.12.278.
10. Shower or towel dry immediately after swimming to help prevent swimmers itch.
11. If you have questions or concerns, please speak with a lifeguard.

Seattle Parks and Recreation offers nine great beach locations to have family time, hang out with friends, or just relax. The beautiful lifeguarded swimming beaches throughout the city have swimming rafts, diving boards, and wading pools, plus other park features such as children's play areas, baseball fields, and more. (Please see other side for beach locations and amenities.)

- Session 3 8/1-8/12
- Session 4 8/15-8/26

Space is limited so be sure to register early!

Free!

## Elliott Bay

**We LOVE our Beach patrons!**

Seattle Parks and Recreation beach programs receive their support from city taxes and fees collected at park facilities. The people who use the facilities are like shareholders in our Department. We measure our success by the quality of service we deliver to these people and how they view our general operation. Our goal is to have all beach patrons feel they have enjoyed their participation in a beach program. Let us hear from you!
