

# Junction Plaza Park

## Community Meeting

**Monday, October 5 ✦ 6:30 – 8 p.m.**

**Senior Center of West Seattle ✦ 4217 SW Oregon St.**

Seattle Parks and Recreation and supporters of the Junction Plaza Park invite you to review the schematic design for developing this park. Located at 4545 42nd Avenue SW, this vacant 6,700-square-foot site will be transformed into an urban green space in the heart of the West Seattle Junction business district. Karen Kiest Landscape Architects and Parks staff will be on hand to answer questions about the park and solicit input on plant selection and the final minor design elements.

The site was acquired by Seattle Parks and Recreation in 2005 with funding from the Pro Parks Levy, a Department of Neighborhoods Matching Fund Grant and generous contributions from the community.

Come learn about the project and provide input on this wonderful new park in your neighborhood.
