

Listed below is the schedule where each member may see which pay period they may continue to work through, before retiring and being able to get their first pension payroll check processed on the next available cycle. Please note that if your first pension check is received more than a month later and you sign up for COBRA medical/dental, you will need to pay for the month in which you did not receive your 1st pension check. If you choose to work past a "Last Day on the Payroll" date, you will have to wait until the next cycle.
