

**WATER SERVICE APPLICATION AND AGREEMENT**

**PROPERTY OWNERS REQUESTING A CONNECTION TO SEATTLE'S WATER SUPPLY SYSTEM MUST AGREE TO:**

- Furnish a legal description of the premise to be served.
- Specify the location and size of service required.
- State fully the purpose for which water is to be used.
- Pay all charges for the new service connection; in addition pay for any outstanding combined utility charges.
- Provide all approved plans and permits when required.
- Request inspection of the underground water service line on property from the city union to a stop valve and meet all requirements of Seattle Public Utilities.
- Maintain, repair or replace service line leading to the City's union from the building served.
- The property owner acknowledges their responsibility for the costs associated with any street or sidewalk restoration required when installing new service.

**SEATTLE PUBLIC UTILITIES MAY:**

- Disconnect the domestic water supply for nonpayment of any water charges or combined utility charges.
- Temporarily shut-off any service at any time without notice for emergency repairs.

**FIRE SERVICE REQUESTS ONLY: \_\_\_\_\_**

I agree the water used from this service is exclusively for fire fighting and understand that any other use of the water through the detector check meter will require a change to a combination fire and domestic meter at the property's owner's expense.
